THE GAFFER

SIMON WEAVER

After a couple of weeks spent on the road, it's a great feeling to be heading back along Wetherby Road knowing we have another exciting encounter coming up at The EnviroVent.

Of course, we extend a warm welcome to Salford City, their players and final to their supporters.

Naturally, we were all disappointed to only come away with one point from last week's match against Bradford City. I have to say, after the match I felt for the lads because 99% of their performance was exactly what we look for away from home.

Having watched the games back, I do think there is times where we could cause a little bit more damage in the opposition penalty box but I think that will come with confidence.

Obviously, when it comes to the dying moments of games I do think we need to be a little bit more ruthless defensively. We have shown we are capable of it and while a harsh lesson, it's one we are really keen to learn from.

I am pleased with the potential we are showing in our performances at this stage of the season. In our last two matches, our defensive solidity has been magnificent and in attack we are starting to see glimpses of what this group is capable of.

Speaking on confidence, I was pleased to see Matty Daly on the scoresheet and it's one that his overall play deserved. He was at the heart of a lot of the positive play which we created last Saturday and I think he can be pleased with his display.

I'd like to finish the discussion on last week by giving a special mention to our travelling

supporters. The backing which they gave us from the first whistle to the last was phenomenal.

It fills myself, the players and everyone at the club with great pride to see such numbers hitting the road and getting behind the squad.

Every match against Salford City is a tough one. We are aware of the threats which they can pose and the quality which their squad possesses. Having been defeated last time out, we expect them to be keen to start the game strongly and show a reaction.

However, our work on training has been focused on how to get the best out of ourselves. We have a lot of pace in our forward areas and if we can get that all to click then we are a handful for anyone in this division.

As always, it's a great feeling to be heading to a game on a Saturday knowing that we are on home soil. I'd like to extend a warm welcome to the players, officials and management of Salford for what should hopefully be an exciting encounter.

Obviously, the main thing to take away from the last couple of matches is just how good we have been able to perform as a unit. The feeling within the group is that we're well on with the process of coming together as a group.

However, to continue in that process, it's about putting together a consistent run of performances together. If we can do that then we believe we will eventually get our reward and the results will come.

We have been a little bit unfortunate with the two late goals. As a group we failed to deal with two key moments in those games. The nature of this league means if you aren't able to do that then you will be punished. We aren't going to linger around feeling sorry for ourselves. We know that this is something which we need to eradicate quickly.

You can see for the vast majority of those matches that we have all been on the same page but if we can eradicate that then I'm sure we will get the rewards which our performances deserve.

Of course, there was a bitter taste in our mouth in the dressing room after both matches. No matter how well we played, nothing will be able to take that way. However, here today we have to use that hurt to spur us on to victory.

I was really pleased for Matty Daly to get that first goal of the season, he is a great lad and I think that goal will do his confidence the world of good. When going back to a former club I know from

personal experience that you always want to perform well and Matty did that.

Now today, it's about carrying that on and hopefully adding more goals. We have played against Salford consistently for a number of years now. Throughout their time in this league, it's a club who have always been battling away at the top end of the table.

It's still early in the season but I'm sure they are keen to get themselves up their again but we need to make sure that we stop them from doing that today

As always at home, it's about concentrating on our own performance. We have to impose our style of play on the game and work towards reaching that consistency I have mentioned and if we can do that, we stand a good chance of sending our supporters home happy.

MATCH REPORT

A late stoppage time header from Jamie Walker denied Town all three points last Saturday at the University of Bradford Stadium.

Matty Daly's delightful dink on 78 minutes looked to be the difference between the two sides before Jamie Walker's header in the fifth minute of added time meant a share of the spoils.

Simon Weaver opted for an unchanged side from the previous week's 1-0 defeat to Gillingham. As for Bradford City, they were without their top goalscorer of last season Andy Cook.

Town had the first key chance of the game as Odoh was brought down on the edge of the box following a cheap giveaway from the Bradford defence. George Thomson stepped over the free kick from 20 yards out but unfortunately hit the Bradford wall and Harry Lewis in the Bradford goal was left untroubled.

Chances were few and far between in the opening half, however on 20 minutes, Daly broke through the middle of the park and released Armstrong on his way and bearing down on goal, but Town's top goal scorer of last season got the ball stuck under his feet and failed to get his shot off.

Former Town loanee Lewis Richards had a half chance on 36 minutes when the ball dropped to him perfectly on the edge of the box but his shot was seen sailing over the bar into the top stand.

The game livened up in the final 15 minutes of the half with both teams pushing to open the scoring. Jamie Walker was the standout man for the home side causing Town's defence to monitor him closely.

He had success down the right flank and tested the hands of Oxley for the first time on 42 minutes with a powerful strike, but it wasn't enough to break the deadlock going into half-time.

Jamie Walker continued to shine for Bradford early in the second half as his acrobatic effort from the penalty spot following a chipped cross from Chisom Afoka just couldn't find the target as the shot drifted just wide of the post. On 58 minutes, Afoka jinking run in from the left wing saw the forward unleash a low curling effort which Oxley parried away to safety.

On 67 minutes, Levi Sutton was bought on to replace George Thomson and Jeremy Sivi replaced Sam Folarin doon after. Sivi made an instant impact and was the attacking spark Town needed as Daly opened the scoring on 78 minutes. The Boro loanee showed positive play by taking his defender on 1v1 before releasing a cross which was deflected and fell into the path of Daly who produced a wonderful finish to put Town one up.

The final 10 minutes saw Bradford up the tempo in search of an equaliser. A late ball into the penalty area caused a defensive mix-up which Walker took advantage of to head home to grab a draw and a share of the points for the Bantams.

HOW A LAD FROM KENT BECAME A TOWN FAN...

There are 282 miles from Deal in Kent to Harrogate, and no bus.

Harry, 13, has been a keen player and follower of football for many years, so when he got a PlayStation the obvious game choice was FIFA. Having achieved success with top-flight teams he felt he needed a new challenge: What could he achieve with the newly promoted team in the lowest league? Harrogate Town was selected.

Over the course of four FIFA seasons and several months, they had won all leagues including the premiership, and all cup competitions, including the Champions League.

During this time Harry got to know the team well and started to follow their progress in real life and advised his Dad he was now a Harrogate Town supporter and asked if could he attend a match or two. He is now like any other

avid football supporter, knowing all player's names, stats, and the history of the club, and sporting club shirts tracksuits etc. He has now attended several away matches and recently made his first visit to The EnviroVent stadium to take in the atmosphere of a home game.

In his first-ever game away at Sutton United, he managed to have a selfie taken with his favorite player Jack Muldoon. Such is his tenacity to get to meet players and Manager Simon Weaver, which is what brought him to the attention of the Manager and Club at this season's clash with Tranmere Rovers.

The club has made excellent progress in reaching League Two under the tenure of Simon Weaver and Harry hopes that they can continue to progress, just like his FIFA Town team did!

DEAN CORNELIUS

'YOU'RE NOT GOOD ENOUGH.' IT CAN BE A BITTER BLOW FOR ANY YOUNG PROFESSIONAL LOOKING TO MAKE THEIR WAY IN FOOTBALL. HOWEVER, FOR DEAN CORNELIUS THOSE WORDS SET HIM ON A PATH TO KICK START HIS CAREER.

INTERVIEW BY NICKOLAS MCINALLY

The Scottish midfielder, who spent six years in the Hibernian academy, went on to join his boyhood club Motherwell following his release from the Edinburgh club.

Speaking on this setback, Cornelius said: "It came to the end of the season and I was called into a meeting with my parents to discuss the future. The club sat me down and told me there wouldn't be a contract for me which is completely fine because football is a game of opinions.

"I remember thinking and trying to plan how I dealt with that set back. At the time I was hurting and in their words I wasn't good enough so obviously it has an impact on you when you are that age.

"However, no one is going to have a perfect career, even the best players have suffered set-backs and when you face those mental barriers I think you come out the other side a better player but also a better person.

"I got released at the beginning of the summer and by the start of pre-season I was signing for Motherwell. Luckily enough, a couple of the coaches had seen me play and they were just as keen as I was to get me in so it moved pretty quickly.

"It was a huge decision, I had the option to go on a couple of trials down south but I had seen the likes of David

Turnbull and Allan Campbell progress through the Motherwell academy so there was a pathway for me to follow."

The 22-year-old, who is in fact a Motherwell fan, was now representing the club he supported and Cornelius believes this added to his motivation to kick on with the club.

"I was delighted when that happened, it was the club I had grown up supporting. My family were full of Motherwell fans and it was a dream to play for the club.

"Looking back, I think representing Motherwell made me that little bit hungrier to break into the first-team and do well. I was keen to make a mark in football but my whole family were Motherwell fans and my dad followed them home and away so I wanted to make them proud."

Reflecting on his career so far, Town's number eight believes he owes a debt of gratitude to his parents who gave him a platform to achieve his aim of becoming a professional footballer.

"I owe everything to my parents. They were so dedicated to my football, three nights a week they took on the commitment to take me to training which was an hour away from where we lived, on a good day. Every weekend they travelled up and down the country to watch me play.

"I owe everything to them and when I left Hibs and joined Motherwell, I think they were a bit relieved to be honest because the club was right on our door step."

While disappointed to leave Hibs, Cornelius paid tribute to the club's coaching staff who helped him to become a more rounded player.

"There was loads of coaches that I owe huge gratitude to for their role in my development. From my time at Hibs Lee Makel is one who stands out. We worked together a lot one-to-one and I definitely feel that working with him helped me to leave Hibs as a better player.

"I was always focused on giving my all when I was there. At the time there was a pathway into the first-team and I thought trying to follow that was the best thing for me but it just wasn't to be. I was always trying to make myself a better player than I was the day before. That is a mentality which I still keep today and I think it gives you a great chance at improving as a young footballer."

In joining Motherwell, Cornelius was given the opportunity to play under former Oldham and Morecambe manager Stephen Robinson and Motherwell legend Keith Lasley. Speaking on his time under the coaching duo, the midfielder believes they helped him to improve as a player.

"Stephen Robinson was manager when I signed and the results were flying in. He gave me my debut in the first-team but I never really got the chance to play regularly under him. However, I felt like I had really developed by working with him and his coaching staff in training.

"It was also great to work closely with someone like Keith Lasley. Growing up a Motherwell fan, I had watched him play for the club and he played in my exact position.

"We worked closely and he was constantly trying to help me to

improve. I was always trying to pick his brain to and I think that also helped me to improve."

Having been released by Hibs, Cornelius admits the opportunity to go up against his former club gave the game an added edge.

"It has actually worked both ways to be honest. When I was playing for Hibs at youth level, I was felt like I had a point to prove against Motherwell because those boys were playing for the club I supported. However, when I joined Motherwell and started playing in the first-team, it completely flipped and I had an edge when we played Hibs because it felt like I had a point to prove."

While representing your local club has it's benefits, the 22-year-old admits that this can be a double edged sword after his side suffered a bad run of results.

"That is where it can become difficult. Naturally, if results aren't going your way then you start to check social media and because you support the club you hurt more. You always understand where fans are coming from but we always stayed positive, stuck together and trusted the process. It was completely different for me. I try to take it all in my stride because the last couple of years have

taught me that you can't get too high or too low in football. Your emotions are all over the place depending on results and now its about trying to stay level headed."

Following a change of manager, current MK Dons boss, Graham Alexander took the reigns at Fir Park and Town's number eight believes his appointment marked the next stage of his career.

"When Graeme Alexander came into the club it was a complete change. I hadn't experienced a change of manager before in my career and it was definitely a learning curve. He is another manager who I owe a lot of credit to because he was the first manager to give me consistent first-team minutes.

"Naturally as a player, you want to play every minute you can but it's not as easy as that. I definitely think that helps me to appreciate the faith which he paid in me as a player. We went to Celtic Park and Ibrox and he stuck by me as a young kid which I do appreciate."

The midfielder's first goal in professional football came in April 2022 against St Mirren and this was a milestone which will stay with Cornelius for the rest of his career.

"It was so surreal to score that first

goal in my career. My dad and Uncle still joke with me now because I just froze. I couldn't believe when the ball hit the back of the net and hearing the fans sing your name is a feeling I will never forget. Walking round the pitch after the game, I saw my mum, my dad and my family which was a great feeling because you could see their pride in what you have achieved."

However, despite loving life with his boyhood club, Cornelius admits the time was right to leave the club. While a tough decision, Cornelius believes Town presented the perfect opportunity for the next stage of his career.

"It was a really, really difficult decision especially given the strong bond I had with Stuart Kettlewell there. I loved playing under him and I love to see them doing well now. I felt like I wanted a fresh challenge, I wanted to come down to England and see what else is out there for me. I want to try and make a name for myself and I believe this club is a perfect fit to do just that."

Entering his first summer as a free agent, Town's number eight believes it's important to have trust in those around you.

"Straight after the season finished I took a couple of weeks off to down tools and relax. I went on holiday and

when I came back it was hard not to worry about the future. My mum is a bit of a worrier and she was constantly asking about what was happening.

"I think that is where it is important to trust your agent. I had complete faith in them and those around me because I knew that things would sort themselves out and thankfully they did."

"I spoke to the gaffer at length over the phone. He spoke to me about what he liked about me, he spoke about his vision for the club, what he is like as a person and I was really impressed by what he said. I remember speaking to those around me at how well the call went. We spoke a couple of times after that and from there the deal was done almost straight away."

Despite only joining the club a matter of months ago, Cornelius believes he has already settled well.

"I am loving my time with the club. It is my first time being away from home and living on my own. I was a little bit uncertain at first but I feel so settled here now.

"Obviously, I'm still relatively new but I feel like the coaching staff have had a huge influence on me so far. I'm still adapting to a new system but they have been great in helping me do that."

"The dressing room has also played a big role in helping me to settle. It's a great group of lads, there is a sense of unity in the group and we are pulling in the same direction. I think that is massive at a football club. If everyone can come together and stick by each other then all you can get is success."

Despite putting together a run of starts to begin the season, the midfielder has been forced to spend a period on the sidelines after he fractured his wrist against Accrington. However, the Scottish midfielder is keen to ensure this doesn't impact his momentum.

"It's annoying but these things happen. There is always people worse off than me and I think I have a positive outlook on things like this. Of course, it is frustrating I was playing regularly and enjoying my football but all I have to do now is work hard and get back fit."

Looking forward to the rest of the season, Cornelius believes it's important that the club stick to their beliefs.

"If we keep plugging away, stick to our beliefs then we believe eventually the results will take care of themselves. With the quality in our squad, we are just as good as anyone in the league and all it takes is a few results to build momentum."

SATURDAY 15 SEPTEMBER 2001

TOWN'S CLUB HISTORIAN PHIL HARRISON LOOKS BACK AT SOME BIG GAMES OVER THE YEARS BETWEEN THE TWO CLUBS...

It was our first ever meeting with Salford City but in the first qualifying round of the FA Cup at their Moor Lane ground, Kersal. Town were playing in the Northern Premier League Division One and the 'Ammies' in the North West Counties League Division One.

With a pay cheque of £7,500 to the winners, there was certainly drama during this cup tie on Saturday 15 September 2001.

The non-league paper wrote, 'After 14 minutes Salford striker Tony Carroll was involved in a clash of heads with a Harrogate defender, a collision that left him unconscious and an ambulance was driven onto the pitch which was quite a shock for the Town fans present including me.

Then seven minutes later the emergency services were back at the ground after Salford's Rob Kelly twisted his ankle after attempting to retrieve the ball from off the pitch and a third City player was sent off with Town's Scott Bonsall carried off. With paramedics almost outnumbering players, the referee elected to blow the whistle and restart the game 40 minutes later.'

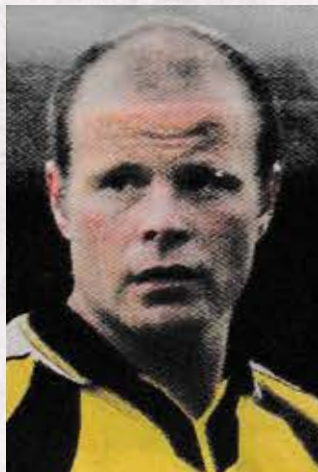

In the game itself, watched by 112 fans, Town took the lead in the 26th minute through Robbie Whellans (pictured top) after good work by Matt Alberty and then doubled the lead ten minutes later when Stephen Ball (pictured below) smashed the ball into the net from 30 yards.

Whellans then added a third goal before the break.

Salford hit back with two second half goals from Karl Marginson but could not find an equaliser so it was Town that booked a place in the next round against fellow NPL side Burscough at home. This also ended in a thriller which Town won in a replay after extra time and penalties.

Town's team against Salford City: Connor, Atkinson, McNaughton, Ord, Aspin, Blackstone, Merris, Bonsall, Whellans, Alberty, Ball Subs: Dunn.

Under manager John Reed, Town won the NPL Division One Title that campaign with 86 points - ten higher than second place Ossett Town with top scorer and captain Robbie Whellans scoring 28 goals from 51 games. Salford, managed by Andy Brown were a division below Town and finished third in North West Counties Division One, missing out on promotion on goal difference despite amassing 97 points level with Prescott Cables and behind Champions, Kidsgrove Athletic.

LINCOLN CITY U18 VS HARROGATE TOWN U18

SAT 16 AUG | EFL YOUTH ALLIANCE - NORTH EAST

LIN 3

HGT 0

Nesbitt 65', Okoro 77', 80'

Town U18's unbeaten start to their Youth Alliance North East title defence came to end with a 3-0 defeat at the hands of Lincoln City last Saturday at the Soper of Lincoln Elite Performance Centre.

Town started brightly and had opportunities to open the scoring early on from three corners each time delivered by Ollie Nicholson and narrowly placed wide by James Moorby, Alfie Lee and Finn O'Boyle respectively.

Town looked tidy in their build up play throughout the first half and dominated the ball but without carrying a real attacking threat in behind the Lincoln backline, whilst at the other end, Lewis Mooney in the Town goal was rarely threatened.

The sides went in scoreless at half time.

Town again started the second half well and on the front foot and should have taken the lead when, after some great build-up play, Elijah Samuels had a free header from around eight yards out, but failed to bury the chance. Shortly afterwards, Samuels again found himself one on one with the Imps keeper, but unfortunately, he slipped just as he was about to pull the trigger.

As the half wore on Lincoln grew into the game and took the lead on 65 minutes with a breakaway goal from a Harrogate free kick. The clearance from Lincoln led to a lightning-fast counter-attack from the hosts where they stormed past Harrogate shirts and Louis Nesbitt finished low into the corner to put the young Imps 1-0 up.

Town, now chasing the game, started to lose control of possession and Lincoln were starting to counter with more

regularity and Mooney had to be on guard to make two smart saves to deny the hosts.

Harrogate then shot themselves in the foot and conceded two poor goals in two mad minutes – the first, a pass back from a Town free kick was left short and Harry Hindle was unable to halt Nesbitt from running through on goal to square to Zane Okoro to apply the finish into the open net.

And it was a case of de ja vu a minute later from an identical free kick and position, where the ball was left short on a pass back to Hindle and again Okoro raced clear to make it 3-0 and put the game out of site for the Town boys.

It was a disappointing couple of minutes for Town in a game they controlled for large periods and a real learning curve for the lads in a period of the game where they were punished.

They will look to put things right today when unbeaten Burton Albion visit York St John's.

TOWN WOMEN

HARROGATE TOWN VS ALNWICK TOWN

SUN 17 SEP | NERWFL - PREMIER DIVISION

HGT 2

ALW 2

Smith 31', Whitehead 65'

Ellwood 51', Thompson 87'

Town Women took on an unbeaten Alnwick Town side last Sunday in the NERWFL Premier Division.

Both teams started the game strongly, creating chances at either end of the pitch – but it was Town who were on the front foot and made sure the football was played mainly in Alnwick's half.

As the first half continued Town kept pushing on, playing great football and on 31 minutes took the lead as midfielder, Bella Devereux, made a beautiful pass through to striker, Annie Smith, who calmly placed the ball past Alnwick's keeper and into the back of the net. This is how it stayed at half time.

Town got the second half underway and both teams started strongly again. After pushing hard and creating good chances, Alnwick levelled things up on 51 minutes, after they played the ball through the Town defence and the visitors' striker slotted the ball home to make it 1-1.

Despite the equaliser, Town didn't let their heads drop and both teams

battled hard. Town keeper, Claudia Sandford, made some magnificent saves and kept the game alive. Until winger, Scarlett Oldridge, played a superb ball to Mollie Whitehead – who dribbled passed four of Alnwick's players before a great strike into the back of net, making 2-1 town with 25 minutes to go.

Town looked to be heading towards their first win of the season until Alnwick got a corner in the 87th minute and with their last chance of the game, managed to find a late equaliser. Town went forward in search of a match winning goal in the remaining minutes but had to settle for a share of the points.

The game highlighted the forward strides that Town's Women have made over the Summer. A draw against last season's runners-up demonstrates this progress and gives encouraging signs of a promising season ahead.

Town: Sandford Hall, Parkin, Long, Whiley (Needham), Taylor, Stockdale (H. Whitehead), Devereux (Williams), Smith, Lumsdon, Oldridge (M. Whitehead)

SALFORD CITY SALFORD CITY INTRODUCING SALFORD CITY

Matt West/Shutterstock

IN THE DUGOUT NEIL WOOD

APPOINTED: MAY 2022 AGE: 40

Former Manchester United Under-23s coach Neil Wood was appointed manager of Salford City in May 2022, replacing Gary Bowyer at the helm after a disappointing season for the Ammies saw them finish in tenth place at the end of the 2021-22 campaign, seven points off the play-off. In what is his first managerial post, last season, the 40-year-old led the Ammies to the play-offs for the first time.

During eight years at Old Trafford,

Wood oversaw the development of United players such as Di'Shon Bernard, Anthony Elanga and James Garner. He began working with the Under-13s before progressing to lead the U18s and then, from July 2019, the U23s who won promotion from PL2 Division 2 in his first season with the group.

As a player, Wood started his player career at Manchester United and had loans at Burnley and Coventry City and also played for Blackpool and Oldham Athletic. After a spell at Aston Villa, he returned to Old Trafford as a coach.

MEET SOME KEY MEN FOR THE AMMIES

Ryan Browne/Shutterstock

CURTIS TILT

DEFENDER

Jamaican international, Curtis Tilt signed for the Ammies in July from Wigan Athletic.

Curtis started off in non-league before catching the eye of then-National League side Wrexham. He only spent a year with the Welsh side, and it ended on loan at Forest Green Rovers who won the play-off final to win promotion to the EFL for the first time. Tilt signed for League One Blackpool and over the next three years made 111 appearances for the Seaside. In January 2020 he signed for Rotherham United, but having only made one appearance joined Wigan on loan the following season. He returned to the Latics on loan another two times before signing permanently in January 2022.

CALLUM HENDRY

FORWARD

Signing in July 2021 from St Johnstone, the 25-year-old quickly made an impression on Ammies supporters in his first season at the Club, finishing as top scorer after a flurry of goals in the second half of the campaign.

His career started in the Blackburn Rovers academy, from where he had a loan spell at Clitheroe in 2015. After his release from Ewood Park in 2017, he signed for St Johnstone where he spent five years and had loan spells at Brechin City, Aberdeen and Kilmarnock. He will be most fondly remembered by Saints fans for his form at the end of 2021-22 when he scored 9 goals in 18 games to keep them in the SPL.

LUKE BOLTON

MIDFIELDER

Winger Luke Bolton signed for Salford in January 2022 from boyhood club Manchester City.

Coming up through the City ranks from a young age, he was a regular for the Under-21s before going out on loan to experience senior football. His first stop was a spell at Walsley Wanderers followed by a temporary move to Luton Town, and in 2020-21 a move north of the border for a spell at Dundee United. Last season the 23-year-old scored six goals and made 11 assists in 54 appearances and caused problems for many of the league's defences. Bolton was a regular for England at youth level, and was part of the 2017 Toulon Tournament-winning England Under-20 squad.

Phil Oldham/Shutterstock

CONOR MCALEENY

FORWARD

Former Everton trainee, Conor McAleeny, 31, joined Salford in 2021 after a season-long stint with Oldham Athletic

At Everton, Conor impressed and was called up into the first team squad on a number of occasions, making his debut in December 2011. Over the next few seasons, he had a number of loan moves at Cardiff City, Wigan Athletic and Oxford United where he scored 10 goals in 18 appearances in the second half of the 2016-17 season. That form prompted a move to Fleetwood Town where he spent three years, as well as having loan spells at Kilmarnock and Shrewsbury Town before making the move to Boundary Park where he grabbed 21 goals in 46 appearances in 2020-21.

GAM STOP – SELF EXCLUSION DAY

We are delighted to partner with GAMSTOP for their 'Self Exclusion Day' in September is part of the #TakeBackControl2023 initiative.

GAMSTOP is a free tool that enables people to self exclude from all gambling websites. Those who register with GAMSTOP can select a self-exclusion period of six months, one year, or five years. Anybody who contacts the service is referred to specialist advisors if they, or a loved one, need additional help and support with gambling-related issues.

May 2023 saw the highest number of registrations since GAMSTOP's inception and nationally data from the first half of the 2023 highlighted a 30% growth in registrations from 16-24 year-olds (21% of registrations). Over 400,000 people have registered with GAMSTOP since it launched 5 years ago. The data also shows that 50% of registrants chose to exclude themselves for five years, the maximum exclusion period that GAMSTOP offer.

We are always looking for others who want to make a difference to the lives of those within the Harrogate & District area. If you are interested in volunteering within any of our programmes please get in touch via community@harrogatetownafc.com
