## THE GAFFER

# SIMON WEAVER

**It's a welcome change for us to be back at home for a midweek fixture tonight under the lights at The EnviroVent Stadium. At this stage of the season, I'm sure the players will be looking forward to the chance to impress again after Saturday's match.**

I have spoken with our Groundsman Iain Bullock who tells me the pitch has recovered well for tonight's match. Full credit to Bully and his team because our surface is fantastic for both teams to try and play some nice football so hopefully you can enjoy the game.

Newport are a very dangerous opponent for us, they have clearly taken confidence from their FA Cup run and that will present a challenge which we will have to be at our very best to overcome.

While it has been a quick turnaround, the lads have been putting a lot of work into their recovery over the last couple of days. We had a good look at the whole squad yesterday in training and there was a hunger and intensity to excite our home supporters.

Saturday's match and the game against Colchester recently are fine examples of showing just how together this club is both on and off the pitch.

At this level, there are no easy games so we need every advantage we can find and this season our supporters have been a key in our success so far.

That backing is something which we do not take for granted, every game we speak about the need to earn that support and thankfully a run of positive performances have allowed us to do that but tonight is no different.

Looking ahead to our run of fixtures, it's important that all members of our squad are ready when called upon. Speaking to players, I am very confident they will be and with the likes of Toby Sims and Rod McDonald to re-enter

the fold we feel ready to take on an important period in our season.

Of course, we were able to get all three points in the reverse fixture in Newport. However, that was a very tough game for us. Newport showed the quality the possess up front that day but thankfully our backline were able to make it a difficult day for them.

Over the last couple of months, we have managed to make this place a very difficult ground for teams to come to. With some important home matches to come, we want that feeling to continue with a positive result here today.

**A**s a player, you always enjoy playing in those big occasions. Here tonight, under the lights this is another one of those big games which we are really looking forward to.

Newport come here full of confidence and they are playing really well at the minute. They have a good squad of players and a number of which can cause problems so we have to be switched on from that first minute.

We managed to get a win there earlier in the season but on that day you could see the quality they have. This week we watched a lot of coverage on them and as a group we are clear on the threat they will pose.

We are entering a really important stage of the season and with that in mind we want to get points on the board as soon as possible. As a squad, we are high in confidence. We are in a really good place and we want to make sure we play tonight's game on our terms.

With the position we are in, the games seem to be getting bigger and bigger. That is a really good feeling for us as players but we know we have to keep getting results if we are to enjoy that pressure.

However, this would not be possible without unity across the club which we have felt all season. We set out to give the supporters something to cheer about every week. We knew the way to do that was through results and thankfully we have been able to put a consistent run of good results together now.

That collective both on and off the pitch has been really important and has allowed us to keep pushing forward. We are in a great position in the league but full credit to the fans because they have been a huge driving force behind that.

Despite the form of both sides, that goes out the window when we cross that white line tonight. We have 11 v 11 and it's all about the quality we produce on the pitch. Of course, it has been a quick turnaround since our last

match so we have been working hard to make sure we recover properly to go again tonight.

Training yesterday was really good, the lads look sharp and keen to get the three points ahead of a difficult trip to Swindon. We have made this ground a very difficult place to come in recent months, we are really pleased by that and hopefully we can keep that going in the matches that remain.

## MEET NEW ACADEMY MANAGER

# RICHARD JONES

**HAVING RECENTLY BEEN PROMOTED TO BECOME THE CLUB'S NEW ACADEMY MANAGER, RICHARD JONES IS AIMING TO LEARN FROM PREDECESSORS JOSH LAW AND PAUL STANSFIELD WHILE IN CHARGE OF TOWN'S YOUNG SCHOLARS.**

**THE FORMER HEAD OF EDUCATION & PLAYER CARE OFFICIALLY MADE THE STEP UP LAST MONTH. HOWEVER, JONES BELIEVES THE RECENT RESTRUCTURE OF THE ACADEMY STAFF CAN HELP MAINTAIN THE SUCCESS OF THE GROUP.**

INTERVIEW BY NICKOLAS MCINALLY

**"It's a privilege to be sitting here today as the club's new Academy Manager, obviously I have been here from the very start and now I have had this trust placed in me.**

"I joined the club in 2020 when we started the education programme alongside the football. I have had various roles and now to step up from Head of Education & Player Care to become the Academy Manager is something which I am really pleased with.

"I come from an education background but I have supported the club right since joining and hopefully now I can continue to give more and more back within my new role.

"Coming into the role, I benefit from a really good foundation which was laid by both Paul Stansfield and Josh Law before me. I have a really good relationship with them both and I know I can go to them both for advice whenever I need it.

"To lose someone like Josh is a huge loss for the club. However, we have a

close knit group of staff here all with their own skills and strengths. Rory McArdle as our lead PDP Coach is a huge asset in terms of coaching and now he is supported by Josh Walsh.

"Walshy has been a huge part of the Player Development Centre for some time now so I think the academy side can benefit from his coaching ability as well.

"We have had Alfie Lee, Cadarn Taylor, Robbie Wilson and Oli Robinson who have come through our PDC so it is nice to see that natural progression for lads coming through. Hopefully, we can continue that option to players in our PDC next season.

"The lads have another familiar face there to coach them moving forward. We are pleased to have another opportunity to promote from within and Josh comes in understanding the club's values and the style of play which we are looking to implement.

"Rory will lead on coaching but Josh will be a good voice to have

alongside him. He knows the players and is someone who I have enjoyed a good relationship with in my time with the club."

Despite this success, Jones insists the club will continue to do all it can to ensure the players continue to develop the player off the pitch as well as on it.

"We are constantly trying to strike the right balance to be honest. We want to make sure that we utilise the expertise within our staff to ensure the lads here get as much from their time with the club as possible.

"We are a football club but we also want to make sure we get things right off the pitch too. That is a big reason why they are here as players and it's on us to make sure they tie in what they learn on the pitch with what they learn in the classroom.

"Obviously, I had vacated my role of Head of Education & Player Care but on the back of that, it was really important for us to make sure that role was filled by the right person.

“Kate joined us in September last year and we have been really impressed by her work since then. The education and lessons she creates with the lads is helping them to engage with that side of their apprenticeship.

“We were really pleased when she agreed to take on that responsibility because she is a strong addition to the staff we have. She has really good experience in teaching and she has been able to support one of the lads to do their A-Levels while playing for us.”

Having achieved league success in the previous campaign, Jones is pleased to see several scholars having the opportunity to experience men’s football through the pathway of work experience.

“Player care is a hugely important thing in the modern football academy, we are looking at the transition up to men’s football and how we can smooth that over where possible.

“This year, we have been able to get a lot of the lads out on loan to

experience first-team football. Sitting here now, the majority of our second year lads have experienced men’s football and last year that wasn’t the case.

“With doing that, we have to make sure that we communicate well with the players and the families. They need to understand why they are being sent out on loan and what doors it opens up to them in the future.

“It’s always beneficial for them to go out and experience men’s football.

Doing that can help them to see the wider picture, the end goal of these scholarships is to play senior football.

"Of course, we would like that to be here with Harrogate Town but that won't always be the case. We have to make sure they are aware of what to expect before they sign a contract or before they go to represent a team on a more regular basis.

"They have to want to go out on loan at the same time, we have to explain that decision in a way in which they understand. We are sending them out to improve their skillset while also exposing them to an experience which should help them.

"They aren't going to be apprentice footballers forever, there is going to come a time where they have to go out and experience men's football. However, we have to make sure they are ready for that and we do that by making sure they have the tools to be a success."

In doing this, Jones also believes there is a benefit for the first-year scholars who are required to step up and play for the club's academy side.

"When we have lads out on loan, we have the first-year lads to step up and play for the academy side. This also mean the lads coming back have to compete for their place because the first-years are doing so well.

"It's that healthy competition for places that we are looking to encourage. We are hoping that the first-years will be ready to go out and experience first-team football next season."

However, with this fresh approach, the club's Academy Manager is keen to received feedback from players to develop the approach moving forward.

"We have regular reviews to them on an individual basis, when the lads are going out on loan, we try to do one of them and we do another when they come back to see what they have learned.

"We find out if the loan has worked

but if it hasn't we can sit down with them to learn why it hasn't. It's important for us to learn what we can improve on for the next circumstance."

With the new season fast approaching, Jones already has one eye on recruitment for next season.

"Over the coming months, we will be looking at recruitment for next season and that will be very important for us. We will look within our U16s team and within the local area to make sure we are getting as many local lads into the squad as possible.

"Of course, we want to use the assets we have at our disposal to improve the standard of footballers in the local area. The club's Player Development Centre is a fantastic way to develop players through the age groups and hopefully we can use that more and more moving forward."

While second year scholars approach the end of their apprenticeships, Jones hopes the club can provide a strong platform for whatever is to come next.

"Coming into this role, the big thing for me is to make sure the lads have a positive progression in their time

with us. Their apprenticeship will finish but we want to give them the platform to go on to something from here.

"We have had lads in the past who have gone to part-time clubs, U23 level football, scholarship football in America but also lads who have started a completely different apprenticeship away from football.

"A lot of our lads have been spending time living in accommodation and being away from home for the first time. That is a challenge in itself and it's nice to see the progression they make in their time with us."

However, Jones also praised the maturity shown by the group in preparation for what is to come next.

"The second year lads who are with us, they are very clever and exploring all their options. They aren't hanging their hats on getting a contract, they are looking at universities and potentially going to play abroad.

"To see them making those efforts is really pleasing. Their mindset and forward planning is a sign of how far they have come. The education they have received is fantastic and the maturity it has brought perfectly summarises what we aim to achieve."

## SATURDAY 17 AUGUST 2002

TOWN'S CLUB HISTORIAN PHIL HARRISON LOOKS BACK AT A MEMORABLE GAME IN OUR HISTORY

**After promotion as Champions of Northern Premier League Division One, 2002/03 saw Town's first ever season in the Premier Division with John Reed continuing as manager and Neil Aspin player/coach.**

Pre-season was rather disappointing as there was no game against Leeds United but instead Manchester United, Newcastle United and Middlesbrough sent their reserve/youth teams over to Harrogate.

Prior to the first league game manager Reed said, 'It's going to be an extremely difficult start for Town and a massive step up, so the players will have to be like mechanical robots.' What was thought to be a difficult baptism, away at Altrincham on Saturday 17 August 2002, was relatively easy with a surprising 4-0 victory before a crowd of 552 with a brace from Robbie Whellans and one each for Dave Donaldson and Dave Merris as Town went top of the table!

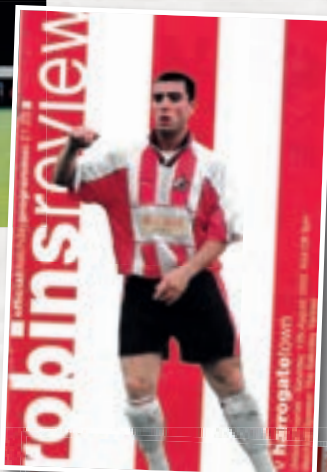

**Town:** Connor, Turley, Sykes, Aspin, McNaughton, Fielding, D. Donaldson, Richardson, Jackson, Whellans, C. Hunter  
**Subs:** Merris, Marcelle and T. Lennon (brother of Aaron).

**Altrincham:** Stephens, Rose, Adams, Maddox, Talbot, McDonald, Murphy, Craney, Young, Thornley, Hevigan  
**Subs:** Woodford, Gallagher, Turner.

Later Town added former Leeds and Reading player, Dylan Kerr and former Middlesbrough and Leicester City player Nicky Mohan to the squad.

To commemorate the first game for Town in the Premier Division, Altrincham very kindly presented Town with a plaque of the occasion, which hung proudly in the sponsors lounge. Town also recorded a double over Altrincham that season winning 3-0 at home in March in front 368 hardy souls. Town finished their inaugural campaign in sixth place behind champions Accrington Stanley as well as winning the West Riding County Cup beating Farsley Celtic in the final 3-1 after extra time. Altrincham finished fourteenth under Bernard Taylor until October and then Graham Heathcote.

Town captain Robbie Whellans top scored with 25 league and cup goals and 'The Robins' top scorer was skipper Rod Thornley with 16.

We are always looking for others who want to make a difference to the lives of those within the Harrogate & District area. If you are interested in volunteering within any of our programmes please get in touch via [community@harrogetownafc.com](mailto:community@harrogetownafc.com)

# LGBT HISTORY MONTH

**As we reported in the Walsall programme on Saturday, that was matchday our dedicated LGBT History month fixture. Alongside the Club we have been working hard to increase engagement with our LGBT Community and ensure that our environment, both on a match day and across all of our programmes are an inclusive and a welcoming place for all.**

As part of our Premier League Primary Stars Programme, our coaches have been delivering assemblies and workshops to educate primary school age children about diversity and ask the question 'What does diversity mean to you?'

As part of the engagement those who took part could enter into a competition to design a t-shirt to showcase what diversity means to them, to win a bundle of books about diversity for their school.

The winner was Flo, from Coppice Valley Primary School and she was presented with her winning t-shirt by Rod MacDonald before the players took to the field wearing her t-shirt design during their warm up.

# BRODY PATTISON NOMINATED AS OUR COMMUNITY CAPTAIN

We are pleased to announce that Brody Pattison has been chosen as Harrogate Town AFC's Community Captain after his work helping the Foundation to showcase their impact within the community through this content creation and change maker role as part of the Premier League's 'More Than A Game' campaign.

Brody is one of many people supported by Harrogate Town AFC's Primary Stars Programme within Harrogate & District thanks to Premier League investment.'

Brody is a Content Creator for both Club and Community and has been a Harrogate Town fan since a young age, attending the HTAFC Soccer Camps and Player Development Centres as a young person. He first dipped his toe into the media world when he created a vlog about Town when he was just 12 years old. He soon gained attention from staff and players alike through his positive messages about Town. Brody went on to complete the NCS and Change Makers programme through the Community Foundation whilst volunteering on a match day and other club/foundation events alongside his A-Level studies before being offered his dream role as a Content Creator at the Club.

Since his appointment Brody has been really keen to cover both Club and Community activities within his new role, really showing his

understanding of how much of a positive influence Harrogate Town can have on young people across his Community.

Brody's confidence in his own ability has increased significantly since his engagement within the community foundation, putting in place the stepping stones to continue developing his role at the Club.

As a result of Brody's support, we have been able to promote more of our projects and programmes which has allowed us to easily demonstrate our impact more effectively and help us reach more people within the community.

# INTRODUCING NEWPORT COUNTY

## IN THE DUGOUT GRAHAM COUGLAN

APPOINTED: OCT 2022 | AGE: 49

Graham Coughlan was appointed new first-team manager in October 2022.

He began his managerial career at League One Bristol Rovers in December 2018, initially as caretaker, with Rovers in the relegation zone. During his caretaker spell, Graham guided the Gas out of the bottom four which led to him being given the job on a permanent basis, and he guided Rovers to safety with a 15th-place finish.

He then joined Mansfield Town in December 2019 and led the Stags to

League Two safety at the conclusion of the 2019/20 campaign.

Graham also spent some of last season as a coach at Sheffield United's Under-23s before his return to first-team management with Newport County.

In an almost 20 year playing career, centre-back Coughlan racked up nearly 500 appearances for 10 clubs, including Blackburn Rovers, Swindon Town, Livingston, Plymouth Argyle, Sheffield Wednesday, Rotherham United, Shrewsbury Town and Southend United.

# MEET SOME KEY MEN FOR THE EXILES

Ashley Crowden/Shutterstock

## NICK TOWNSEND

Nick Townsend linked up with the Exiles in August 2018 after a three-year spell with Barnsley, having made 16 appearances between the sticks for the Tykes. The 26-year-old began his career with Birmingham City, where he spent 10 years in the youth setup before making the step up to the senior squad in 2013. He had four loan spells during his time in the Midlands, representing Oxford City, Lincoln City on two occasions and Barnsley, who he joined on a permanent deal in September 2015.

Ashley Crowden/Shutterstock

## SCOT BENNETT

Signing for County in June 2016, the 33-year-old came through Exeter City's youth system and made his first-team debut in March 2011 and even captained the side in 2014, making 141 appearances for the Grecians. Bennett signed for Notts County in May 2015 and was loaned to Newport County in October 2015 before he joined York City on loan until the end of the 2015/16 season. After his release from Notts County he joined the Exiles where he has been ever since and is approaching 300 games for the club.

## WILL EVANS

The 26-year-old signed for The Exiles in May 2022 after an impressive season in the Cymru Premier with Bala Town scoring 11 goals in 24 games. Having progressed through the Shrewsbury Town youth system, Evans enrolled at Cardiff Metropolitan University and played for their football team in the Cymru Premier making over 100 appearances for the Archers. After finishing his degree in 2020, he signed for Bala Town scoring 24 goals in 55 appearances before turning pro when he signed for County. In the space of 18 months, Evans went from working on his dad's farm in mid-Wales to becoming the first player from any of the 92 league clubs in English football to reach 10 goals this season, and his strike against Gillingham last week was his 19th in League Two this term. Understandably Evans was the subject of plenty of attention during the January transfer window, but County managed to hold on to their top goalscorer.

## BRYN MORRIS

A product of Middlesbrough's academy, where he made his pro debut at the age of 17, Bryn would then spend the next few seasons on loan, at Burton Albion, Coventry City, York City, and Walsall. He signed for Shrewsbury Town in 2017 and after a loan spell at Wycombe, joined Portsmouth in June 2019, making 16 appearances. He would then spend time on loan at Northampton Town before joining Burton Albion. He spent last season at Grimsby Town before signing for the Exiles in June 2023.

Ashley Crowden/Shutterstock

## SHANE MCLOUGHLIN

Joining Newport in July, the 26-year-old played locally in Ireland, before being spotted by Ipswich Town in 2013 where he signed his first pro contract in 2016, making his debut a year later. Two loan spells at National League side Bromley preceded a move to AFC Wimbledon in 2019, where he would spend two years before moving to then League One Morecambe. He played 43 times for the club before briefly joining Salford City. Almost ever-present this season he has provided six assists for the Exiles so far.
